Clothing Man Coming Again.

Owing to the big business I had at Hotel at my last trip to Yale about six months ago, I did not have time to call on nearly all my old customers. Have arranged to be at Hotel Paisley all day Thursday, May 2, where I will show the big new line of spring and summer samples and take measures for those famous Richman clothes—sold direct from the factory to you at wholesale. Leave measure and save 1/2. Clothing is going higher every day.

Shows Kind He Was

Doctor (upon finding his patient weaker than before)—What does this mean? Haven't you been following my instructions?
Patient (feebly)—Yes, doctor.
Doctor—Been eating animal food right along, have you?
Patient (grimly, trying to smile)—Well, doctor, I tried to, but somehow it did not seem to agree with me very well. I managed to worry down the hay and clover tops all right, but the thistles kind of stuck in my throat, and I had to give it up.
